

Dear _____ (name of friend, family member, or coworker),

I am excited to let you know that I am helping to raise funds for Hebrew Free Loan so that it can continue to provide interest-free loans to people facing financial challenges or pursuing life dreams. Please join me in this cause.

If you didn't already know, Hebrew Free Loan is the only interest-free lender in the Bay Area. And they've been active in the Jewish community since 1897. Its impact is impressive, too! Right now, it has **over \$8 million** in outstanding loans and is helping **over 1,000 people** maintain their financial independence.

I'm one of those people. I turned to Hebrew Free Loan when I needed an interest-free loan to _____ (insert your story, i.e. "help pay for college," "adopt my son," "ease the burden of paying off my high-interest credit card debt.") Hebrew Free Loan supported me when I when I was in need. Its investment in my future was life-changing.

That's why I am choosing to support Hebrew Free Loan. I know firsthand what a difference these loans can make. Please consider making a donation to the agency by visiting www.hflasf.org/donate. Your support will allow the organization to help even more people like me.

Thank you in advance.

Regards,

_____ (your name)
